

## **Current COVID-19 Policies**

**Updated: 05/04/2022** 

- Masks for patients and staff are optional. While we no longer require masks for entry, please be kind to those who choose to wear a mask.
- If you are uncomfortable not wearing a mask and would prefer our staff wear one while working with you, you can request that we wear a mask.
- Eyewear pick-up and glasses adjustments/repairs are required to be scheduled. Please call ahead to schedule.
- Telehealth visits are still available as is direct shipping on all products.
- Curbside product pickup is still available.
- Disinfecting procedures will be followed before and after every patient encounter using CDC recommended cleaning agents.
- All eyeglass frames that are handled are disinfected prior to re-displaying them.
- An online payment option has been implemented to allow bill pay from home.
